Newsletter Draft 1.pdf

Hello Fred – attached is the designed version of Stormwater News which we just received moments ago. We think it looks pretty good. We are going to be sending in some final edits (mostly typos at this point) tomorrow to our design office, but we wanted to give you folks a chance to take one final look. Assume we will catch the typos, so don't worry about those. And now that we have this template completed, we should talk soon about our next edition and the what topic we want to address; I think we had thought about maybe discussing NOIs?

Any final comments are welcome (by COB tomorrow please).

Thanks much,

Anne

Here are Sharon's notes:

Only side notes are:

I was able to shorten the url for SUTR and I'm looking into shortening the others but we'll have to see if it's possible.

Second, Liz and I revised the very bottom text as to not list the Stormwater email twice.
